END OF KS2 OUTCOMES

1.1 - KS2 Test Outcome Venn Diagram - Pupils achieving standards

This report will give you the percentage of pupils that achieved national standard in Reading, Mathematics and GPVS combined. There is also a table at the bottom of the report with pupil names to support this.

1.2 - KS2 Outcome Venn Diagram - Reading, Writing and Mathematics

This report will give you the percentage of pupils that achieved national standard in Reading Test, Mathematics Test and Writing Teacher Assessment combined. There is also a table at the bottom of the report with pupil names to support this.

2.1 - KS2 Test Outcome Breakdown Pie Chart

This report shows the percentage of pupils who are at each outcome for the cohort in Reading, Mathematics and GPVS.

2.2 - KS2 TA Outcome Breakdown Pie Chart

This report shows the percentage of pupils who are at each outcome for the cohort in Reading, Writing, Mathematics and Science.

3.1 - KS1 versus KS2 Test Analysis

This report calculates the number and percentage of pupils who are at or above national standards at KS1 (2B+ in 2012) against the percentage of pupils at expected for KS2 this year, this also shows the difference between the two figures. The report gives you this data for a number of key context groups for Reading, Mathematics and GPVS.

3.2 - KS1 versus KS2 TA Analysis

This report calculates the number and percentage of pupils who are at or above national standards at KS1 (2B+ in 2012) against the percentage of pupils at expected for KS2 this year, this also shows the difference between the two figures. The report gives you this data for a number of key context groups for Reading, Writing, Mathematics and Science.

4 - KS2 Test and TA Quadrant Analysis

This chart plots pupils in quadrants based on their performance in the test and the teacher assessment. This report uses teacher assessment codes and test outcome codes in Reading and Mathematics.

5.1 - KS1 to KS2 TA Transition Matrix

This report plots pupils on a mapping grid to show their transition from KS1 to KS2 teacher assessments. Down the left-hand side is the KS1 result and across the top the KS2 teacher assessment. This report uses KS1 results and teacher assessment codes in Reading, Writing, Mathematics and Science.

5.2 - KS1 to KS2 Test Transition Matrix

This report plots pupils on a mapping grid to show their transition from KS1 to KS2 test. Down the left-hand side is the KS1 result and across the top the KS2 test result. This report uses KS1 results and KS2 test codes in Reading, Mathematics and GPVS.

6.1 - KS2 TA - Contextual Groups Attainment Summary

This report gives the number and percentage of pupils in key contextual groups that attained a teacher assessment outcome that is 'below', 'at', and 'at/greater depth' the national standards. This report analyses Reading, Writing, Mathematics and Science.

6.2 - KS2 Test - Contextual Groups Attainment Summary

This report gives the number and percentage of pupils in key contextual groups that attained a test outcome that is below or at the national standards. This report analyses Reading, Mathematics and GPVS.

7 - KS2 Average Scaled Score Analysis by Context

This analysis shows you the average scaled score for the cohort, and other key contextual groups. The data is presented in a table format and as a bar chart for Reading, Mathematics and GPVS.

8 - KS2 Scaled Score Mapping Grid

This mapping grid plots pupils based on subjects and scaled score ranges for Reading, Mathematics and GPVS.

9 - KS2 Scaled Score Mapping Grid by Ability Group

These mapping grids plot pupils based on KS1 ability groups and scaled score ranges for Reading, Mathematics and GPVS. Please note the GPVS grid matches pupils who had a SPAG result at KS1 and a GPVS scaled score in KS2.

10 - KS2 Scaled Score Mapping Grid by Context Group

These mapping grids plot pupils based on key context groups and scaled score ranges for Reading, Mathematics and GPVS.

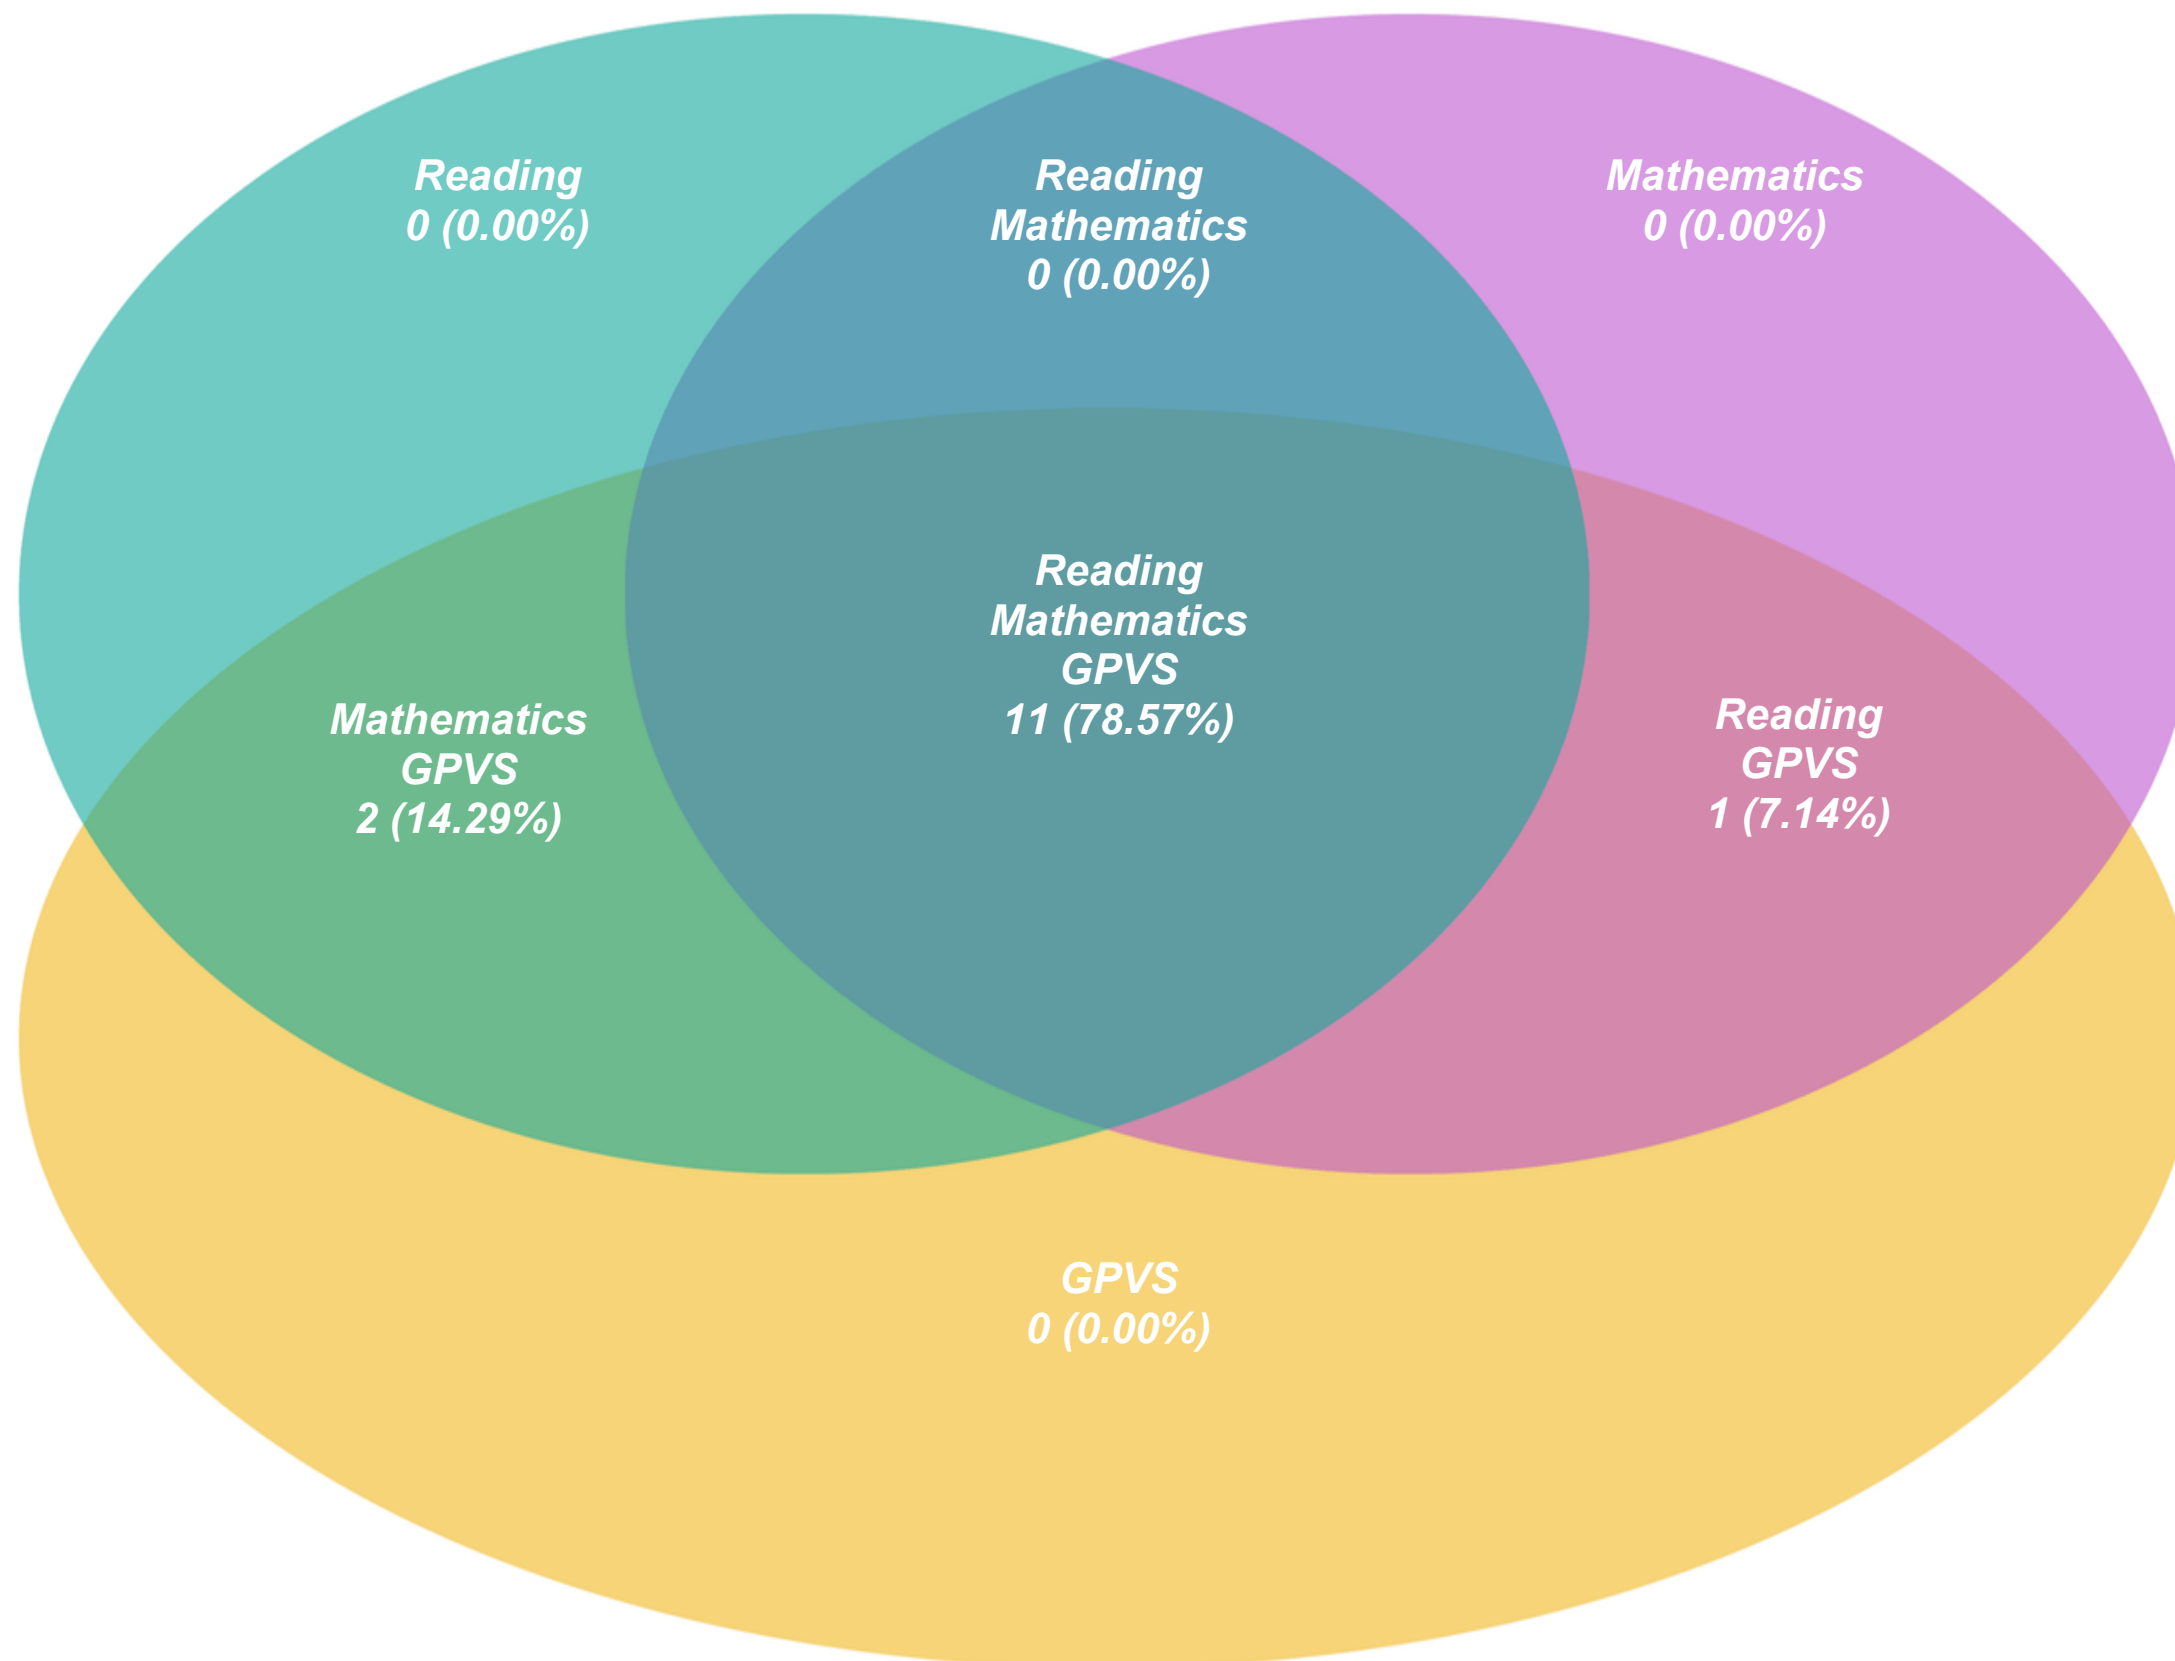

11 - KS2 Pupil Outcome Printout

This report shows you the raw data that you entered into the OTrack data entry screens. This can be used to check for missing pupils in other reports.

12 - Summary Sheet

This page is an overall summary of the data held in other reports to be used for quick reference to key analysis and for simple reporting to Ofsted and Governors etc.
